

# COVER LETTER

of **Mr. ESSAM BINZGHAYO**

Dear Sir or Madam,

I would be very interested in being part of a company whose goal is to remain at the cutting-edge of new technology development in the information technology field.

As you can see from my resume, I have completed my college diploma in Information Systems from University of Phoenix (Arizona, USA), and have had implemented many successful projects for some employers. During that time, I worked with technology specialists and often conducted projects with minimal supervision.

So far, I deem expert in information systems management especially in the Microsoft SQL Server Database and .Net Development Platform; along with great experience in business management exceeded 15 years of continual hard working with best methodologies such as (Pfeiffer, Scenario Planning, SWOT, 9Ps) for Strategic Management and Planning and (TOGAF) for Business/Software Architecture and of course (PRINCE2) for Projects Management.

Moreover, I am skilled enough to direct any kind of organizations to improve their strategic position in the market, nevertheless Strategic/operational planning and strategic leadership and management.

For instance, in strategic consulting services, is the improvement I made in the development of technical services of one of the popular companies in Europe to enter the US market so that company have been included in lists of top 20 promising companies award for the year 2016 solution providers in CIO magazine reviewers.

Another example in technical area is the development of small Enterprise Resources Planning System which is financial based system that consists of 15 sub-systems such as HR, Payroll, Finance, Purchase, Sales, Warehousing, workflow management, documents Management, Projects management and other systems that work together in one system and fully integrated to provide a value to the customers and then I sold the intellectually property to a private British company in the UK in September 2009.

Currently I am eager to be given a full-time role where I can gain further knowledge and experience independently or as a member within a team.

I am highly motivated and enthusiastic, hardworking always with excellent attention to detail. I am enclosing my resume for your consideration and would appreciate it if we could arrange a mutually convenient time to meet to discuss this opportunity further.

I would be pleased to review my qualifications in more detail with you. If I haven't heard from you after two months, I will call to follow up. In the meantime, if you have any questions, please don't hesitate to call me.

Finally, I would like to thank you for your consideration and I am looking forward to meeting you soon.

You're faithfully,  
Essam Binzghayo
